FEMINIST REVIEW BELIEVES THAT ALL OPINIONS - POSITIVE AND CRITICAL - ARE VALUABLE AND SEEKS TO GIVE VOICE TO COMMUNITIES THAT REMAIN ON THE MARGINS. OUR MISSION IS TO WRITE REVIEWS FROM FEMINIST PERSPECTIVES TO EXPLORE THE WORLD THROUGH AN ANTI-OPPRESSION LENS. WE RECOGNIZE THAT THERE ARE MANY FEMINISMS AND PROVIDE A SPACE WHERE THOSE DIFFERENCES CAN BE REPRESENTED AND EXPLORED.

## Mosaicii Make-Up Bag

By Tanja Koch (a.k.a. Sweet T Original)

<http://sweettoriginal.com/>

I don't even wear make-up, y'all, but when this make up bag came through my door, I knew I had to have it. Tanja Koch has an eye for fabrics, using a diverse mix of vintage, mod and retro patterns to create bags and wristlets to attract the hip and the fashion conscious. As if the cool fabrics aren't enough, the bag is very well constructed with tight stitching so the seams won't come loose like products made from other, less-experienced seamstresses. The bag measures 8 inches by 5 inches by 3 inches, which makes it versatile for those, like me, who might prefer to use it as a clutch instead of a make-up bag. The size also makes it easy to throw into a bigger bag, like when traveling or if you're the just kind of person who must carry everything with you at all times, just in case. The bag also has a beautiful, smooth, satin lining and can be thrown into the washing machine with the rest of your laundry, as needed. Cute, practical, and, an added bonus, is that Koch's products are extremely affordable (this bag is only \$25!), so get them now before she realizes that people will pay way more than what she's charging for these fabulous goodies. Or pay her what she deserves, ya cheapskate, because supporting women designers is totally feminist... and hot!
